- and every other professional line

## **Our Complete Turn-Key Installation Process**

### **Step 1: Free On-Site or Virtual Consultation**

One of our senior technicians comes to you (or walks the property with you by video) and designs perfect coverage with zero blind spots – homes, offices, warehouses, restaurants, apartments, retail, parking lots, and large campuses.

### **Step 2: Clean, Professional Wiring & Infrastructure**

- All cables hidden through walls, attics, basements, or soffits
- Multi-building properties get rock-solid wireless bridges (Ubiquiti, MikroTik, RADWIN) with zero video delay

### **Step 3: Commercial-Grade Camera Installation**

Only true 4K/8MP+ professional cameras:

- Turret, bullet, PTZ domes, 360° panoramic, thermal, license-plate, full-color night vision, explosion-proof, and people-counting models
- Mounted securely and aimed with laser precision

### **Step 4: Enterprise Recorder & Local Storage**

- Systems from 4 to 600+ channels
- Massive local hard drives (up to 2,000+ TB) – your footage stays on your property, under your control

### **Step 5: Smart Features & Analytics Turned On**

- Facial recognition, line crossing, loitering detection, object left/removed, crowd counting, heat maps
- Motion alerts that ignore rain, trees, and animals

### **Step 6: Remote Viewing App (Works Anywhere)**

One simple, free app lets you:

- Watch live 4K video and playback recordings on your phone or computer
- Get instant push notifications with video clips
- View every camera at every location from a single login
- Digital zoom and PTZ control on fixed cameras

### **Step 7: Optional 24/7 Professional Live Monitoring**

- Local central station watches your cameras around the clock
- Video-verified alarms and two-way voice through the cameras
- Immediate response when something actually happens

### **Step 8: Lifetime Remote Support & Instant Fixes**

- 99% of issues fixed remotely in minutes – no waiting for a truck

- Free firmware updates forever
- Free remote re-aiming or focus changes anytime
- We set up the app on every new phone you own – for life

## **What We Do for You**

- ✓ Everything: design, equipment, wiring, mounting, programming, training, cleanup
- ✓ Clean, paint-matched work that looks like it was built with the building
- ✓ Full 3–5 year warranty + our lifetime workmanship guarantee
